studio@davepuente.com - www.davepuente.com

00:58:52 Bart Moyers: Sanjay, how do competitors deal with this?

01:00:16 Carolyn Salerno: start with creating the story telling for
the people who mean the most to you

01:00:41 Bart Moyers: No one is a jack of all trades. Focus on
where your strengths are. Find a vendor to the stuff you're not best at.

01:00:44 Tom Fanning: "Time chunking"...to Cindy's point...1 hour
here...2 hours there...in your schedule daily...and the personal
diligence to do so...you CAN do it!!!

01:00:52 Marlon: If script writing or storytelling brings the most
revenue or future revenue then focus on one at a time, whichever will
bring the most revenue first.

01:01:29 Marlon: Make your own deadlines to finish a project and
move to the other focus.

01:02:03 Bart Moyers: Focus on priorities not on time blocking

01:02:37 Carolyn Salerno: if you are having ,Äüwriters block,Äü give
yourself a pattern disrupt and do something that distracts you from
trying to hard. things will flow after that
